Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization
16-24 February 2016

Draft report

Rapporteur: Nadia Alexandra **Kalb** (Austria)

II. Maintenance of international peace and security

B. Consideration of the revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security

1. The revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security (see A/53/33, para. 98) was referred to in general terms during the general exchange of views held at the 281st and 282nd meetings of the Special Committee, on 16 and 17 February 2016, and was considered at the 1st meeting of the Working Group of the Whole.

2. In the Working Group of the Whole, the sponsor delegation reiterated its willingness to engage in a discussion on its revised proposal with a view to reaching a common understanding of the issues raised therein.

3. While support was expressed for the continued consideration of the proposal, several delegations were of the view that the proposal duplicated revitalization efforts undertaken elsewhere within the Organization and that it had been superseded by events. The sponsor delegation was encouraged to consider withdrawing the proposal with a view to rationalizing the work of the Special Committee.
